SlidePad
116C - 16GB

OS 2.3 Powered by Android™

Bluetooth™

WiFi CERTIFIED

- 10.1" / TFT LCD Capacitive touch screen
- WiFi connection
- Download thousand of applications with Getjar™
- Integrated camera
- MicroSD™ memory extension slot
- Integrated microphone and speakers

The SlidePad's 10" capacitive touch screen gives you fingertip control. Equipped with Multipoint technology, it gives you excellent control and is easy to learn thanks to a powerful 1 GHz processor along with optimum response. Surfing the Net, choosing your films, songs and photos or playing your favourite games will become easy thanks to the applications catalog provided by the Getjar™ market. Connected to a Wifi network through its wireless connection, you can keep in contact with your friends and family. Connected to the HDMI socket on your TV, you can use it to view high quality images and movies.
